**COMMENTS:**

This bill would increase the property value amount used to calculate benefits for the homeowners assistance program from \$34,000 to \$37,400, and would increase the property tax equivalent amount for the renters assistance program from \$250 to \$275.

The August 16, 1999, amendment reflects the technical consideration provided in the department's analysis of AB 1636 as amended June 21, 1999, which noted that the property value amounts also should be adjusted. As a result, the technical concern has been resolved.

Except for the discussion above, the department's analysis of AB 1636 as amended June 21, 1999, still applies.
